

## **NOTICE TO ALL MEMBERS & VISITORS**

All members, visitors and their passengers are reminded that their attendance or participation in any club trip or event is of their own choosing and that they accept full responsibility for their own actions and consequences.

All persons - drivers, visitors and passengers - are reminded that they have a 'Duty of Care' to themselves as well as others and that they are to take all necessary reasonable steps to ensure their own safety and the safety of others at all times.

All members, visitors and passengers are reminded that although the Club attempts to conduct trips and events in the safest possible manner, there are many changing factors and unforeseen circumstances over which the club and its members have no control.

Members, visitors and passengers are the only persons who know their own capabilities and therefore are the only persons who know if they are capable of participating or continuing to participate in a club trip or event. If these persons feel that they or their vehicle are incapable of participating or continuing to participate in a club trip or event in a safe manner, then they need to withdraw at that time from that club trip or event. If this happens, the person(s) must notify the Trip Leader or Club Official by radio or other means of communication of their intention to withdraw.

Trip Procedures are provided by the Club for the safety and enjoyment of everyone on a trip or event.

Your participation on any club trip or event is conditional upon you and your passengers/visitor/guests or others, accepting the Club Rules and By-laws, the Trip Procedures and therefore accepting the liability of your own actions at all times.

Please remember that any event or trip is much more enjoyable when each of us takes care, not only of ourselves, but also for the safety of others.
